HUBB members save with OPDP

Since April 1, 2008 HUBB members in the ODS Medical plan have been enjoying pharmacy discounts through the Oregon Prescription Drug Program (OPDP). Members across the state of Oregon receive the benefits of bulk purchasing. HUBB is proud to partner with OPDP for our ODS members.

ODS Specialty Pharmacy Services

ODS/OPDP members using “specialty drugs” receive superior service through BioScrip Specialty Pharmacy. Some medications require special handling, administration, transportation, biotechnology requirements or case management. For these reasons the regular corner drug store is not the most appropriate source.

ODS & OPDP are now working with the BioScrip Specialty Pharmacy to serve HUBB/ODS members needing this specialty service. Ordering through BioScrip is easy and convenient. If you or an insured family member are taking specialty medications, the ODS Pharmacy Customer Service will help you get connected with BioScrip.
